

Homework 1: Due Friday, Sep 1, 10PM

Please write a little bit about yourself- Things I would like to hear about would be:

1. Your name
2. What is your general math background?
3. How long has it been since your last math class?
4. Why are you taking this class (for example, it is required for my major, or you may be taking it for fun!).
5. What areas are you considering for a major?
6. Anything else you'd like for me to know about you.

To turn this homework in, scan it as a PDF file, then upload it to Canvas. Scoring for this homework will be 2 points from homework set 1 (turned in next week).

The real purpose of this homework is to be sure everyone knows how to upload work to Canvas. NOTE to Apple/Mac users: Please do not upload image files in HEIC format.
