Fall 2008

Ma235–Calculus Laboratory I

***Checklist for Lab 3: Stack of Books***

**Grading Criteria:**

Details:	Points	Points Possible
Math is clearly explained:	_____	5
Typesetting of document:	_____	5
Discussion/Grammar/Spelling:	_____	5
Figures and Equations:	_____	3
Extra Discussion:	_____	2
		<b>TOTAL: 20 possible</b>

When/What to turn in: The lab is due at the beginning of our next Lab session (either Wed, Oct 17 or Thurs, Oct 18). Turn in a hard-copy of your lab, and email me the tex file (no graphics, please!), with Lab 3X or Lab 3Y in the subject line. You only should turn in one copy per group (so be sure everyone's name is on what you turn in!)
