

M240 Linear Algebra

Homework to Exam 1

Do all of the homework below, but be ready to turn in the solutions to the exercises marked below. The true and false sections are problems we'll discuss in class, so be sure you've worked them out before class the next day.

Note that this schedule assumes that we'll cover that material during that session- We may get ahead or behind the schedule, and that will be announced daily in class (what exactly is due).
