

Matlab Homework: Week 2

- Try out the Matlab/Octave tutorial.
- Write and publish a script that will solve exercise 33 in section 1.2 and exercises 39 and 41 in section 1.4.

Be sure that:

- Use comments, as we did in the first Matlab script.
- Your name should be on the script.
- Your answer should be summarized in a comment.

Upload the PDF of your homework by Tuesday, Jan 31st.
